Bruce is substituting for Mrs. A. M. Harlow, who has a leave of absence for one term. The enrollment in the grades is 546, which is a few less than last year's enrollment. A new law went into effect this year increasing from 15 to 16 years the age within which attendance is compulsory and several have stayed out, not knowing of the change. When they will be practically the same as last year

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therfore requires constitutional treatment, Hall's Caa constitutional disease and therfore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Chency & Co., Toledo, Ohlo, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it falls to cure. Send for circulars and testimonials. Address: F. J. NOTICE

Wishing to get someone to act as our representative in Brattleboro, who is trustworthy and popular, we have secured the services of Mr. Harold F. Newell, of No. 13 Western Ave. Our aim is to give our patrons a high grade of laundry work. We make a specialty of shirts, collars, cuffs and ladies' fine work, also table linen. What ooks nicer than a well dressed table?

We also have a genuine French Dry Cleaning Department. In this department we clean every conceivable article that can be cleaned. Such as men's suits, overcoats, automobile coats, ladies' suits and fine gowns (the finer the better), silks and laces, draperies and covers of all kinds, wool blankets and turs, from a muff to a fur coat, ostrich plumes, kid gloves and slippers.

This department is in charge of the finest dry-cleaner in the country. And all work to be first class.' Work called for and delivered.

Eagle-Eyed

The attribute of the roaming Indian— the pioneer frontiersman—the mariner of the deep. Stone-built houses and the printed word have changed mankind from eagle-eyed to mole-eyed. But science has taught us to see through Glasses as sharp—as accurately—as far as did our eagle-eyed forefathers. If you doubt it try a pair of glasses of our make.
